**INTRODUCTION:** Our memory verse for this week states - "...*THAT HE MAY HAVE THE PREMINENCE*". I never tire of speaking of Jesus Christ - the true Christian never tires of hearing of Christ. So on this December 24th morning, for a few short moments, let us turn our thoughts away from all the tinsel, lights, ornaments and gifts and from everything except our wonderful LORD and Savior, Jesus Christ. Our text states that Jesus Christ should have the preeminence in all things. I would imagine that many here this morning have stood on the top of White Face and looked down on all the other mountains around it. White Face is the preeminent mountain...it stands out far above all the others. Jesus Christ is the greatest and the most preeminent personality of all ages. All of history past and all of prophecy future center around Him. He is far above all others as the Atlantic Ocean is above a puddle of water or as the sun is above a flickering candle. Let us see six areas where Jesus Christ is preeminent.
